### **Eligibility Requirements**

Because the Homeschooling Scholarship Fund exists as a ministry of Pinnacle Baptist Church, only parents who are members of PBC and attend (or listen online) weekly and tithe are considered eligible for scholarships for their children. Approved applicants may receive up to \$500 per family per year, depending upon eligibility and availability of scholarship funds.

### **Eligible Homeschooling Programs**

At this time, the approved homeschooling programs for scholarships from Pinnacle Baptist Church are below. Both are listed on our church website with links to their homeschooling programs.

#### **Landmark Christian Academy in Haynes City, Florida**

The estimated cost of homeschooling through the Landmark Christian Academy (K5 – 12) is approximately \$500 per child per year (\$200 for enrollment and \$300 for books).

#### **Abeka Christian Curriculum in Pensacola, Florida**

The estimated cost of homeschooling through Abeka Christian Curriculum (K5-12) is approximately \$500 - \$2,000 per child per year (depending upon the options selected).

### **Amount of Scholarship Requested**

How much of the cost of the selected program are you requesting? \_\_\_\_\_

Are you fully committed to paying the balance cost of your selected program for the year? \_\_\_\_\_

### **Terms of Scholarship if Approved**

If you are approved for a scholarship, these are the requirements:

1. You must enroll your student in a PBC approved homeschooling program designated on the church's website.
2. You agree to maintain all records required by Landmark Christian Academy and submit them by the deadlines required.
3. You agree to provide Pinnacle Baptist a copy of your child's report card each quarter for verification of homeschooling.

If you are approved for a scholarship for your student but do not fulfill the above requirements, you will not be eligible for a homeschooling scholarship for any child in the future.

Scholarship funds which are approved will be paid directly to the homeschooling program from PBC toward your account.

Do you agree to these terms if you are approved for a Scholarship? \_\_\_\_\_
